

Robert Russa Moton High School HALL OF FAME NOMINATION

Biography of Nathan Martin

Nathan Martin is one of the many proud native sons of Leeds, Alabama and a graduate of Robert R. Moton High School, class of 1956. He holds a Bachelor of Science Degree in Architecture from Tuskegee Institute (now University) and a Master of Science Degree in Counseling from the University of La Verne in La Verne, California. In addition, Nathan has also done further advance study at UCLA and other institutions of higher learning.

He served two years in the United States Army at the United States Naval School of Music in Washington, D. C. After serving time in the military, he decided to move to California to pursue a career in Architecture. While in California, he worked in the Aerospace Field in such distinguished corporations as General Dynamics, Hughes Aircraft and others.

Nathan's distinguished educational experience is immense. He taught in high school, Adult School, Skills Center, and at an Occupational Center. He has also been active in many after school programs in industry. He served as coordinator of the A.C.T. Program at Rocketdyne, the C. O. Y. Program at Hughes Aircraft, and a very advanced program at Atomics International.

Nathan was employed by the Los Angeles Unified School District for thirty four years.

When time permits, he likes to involve himself in music, his love of the saxophone has always been very special and dear to him dating back to his days at Robert R. Moton High School where he was a band member. He also likes to spend time learning languages. He has become fluent in Spanish because he finds it a definite asset when counseling Hispanic youth. Art and Calligraphy are his life long hobbies.

He currently resides in North Hollywood, California with his family.

Nathan Martin was nominated by his brother Solomon Martin.
